Why are you receiving this form?

You are receiving this Claim Form because records show you are a merchant (business owner) who may have accepted Visa and/or Mastercard at any time from January 1, 2004, to January 25, 2019 ("Class Period"). Visa and Mastercard and their issuing banks ("Defendants") are alleged to have violated the law because they wrongfully inflated interchange fees. Defendants say they have done nothing wrong. They claim their business practices are legal. After years of appeals, the Settlement is now final, and it is time to file your claim for a payment. If you do not file your claim, you will not receive a payment.

For many eligible merchants, data is available to determine the value of Visa and/or Mastercard transactions accepted during the Class Period. If that applies to you, your information is below, and you can quickly file your claim based on that amount (either by using the QR code above, going to www.PaymentCardSettlement.com, or by mailing in this paper Claim Form). If you believe that the transaction amount provided below is incorrect, please visit the Case Website to provide more information regarding your transactions. You may also be able to request additional detail on your business' transaction activity.

Please scan the QR code on the previous page, or visit www.PaymentCardSettlement.com, for detailed information about the Settlement or to file your claim online. If you are making your claim by mail on the basis of the amount below, complete this Claim Form and send it to Payment Card Interchange Fee Settlement, PO Box 2530, Portland, OR 97208-2530, postmarked by **Month DD, 2024**. If you have questions, contact us at info@PaymentCardSettlement.com or 1-800-625-6440.

How much will you receive? It's based on the estimated amount of your Visa and/or Mastercard transactions.

The chart below includes a summary of estimates of your Visa and/or Mastercard transactions within the United States during the Class Period:

	Visa and/or Mastercard Activity		
	TRANSACTIONS	VOLUME	INTERCHANGE FEES
TOTAL	31,381	\$851,532.87	\$9,880.03

CLAIMANT ID: JOINTGR12340
CONTROL NO.: 123456

Your actual recovery will not be the Interchange Fees listed above, but rather a percentage of the total based on a variety of factors including the total number of eligible claims submitted. To view more detailed information related to your business, please visit www.PaymentCardSettlement.com and use the credentials shown above. At the Case Website, you may electronically submit your claim and receive an email confirmation of your claim submission.
